Authorization:

A Managed Server Contract and credit application must also be submitted with this order form.

Receipt by Communiqué Kaleidoscope, Inc. of the **first and last month's payments** plus any **set-up fees** is required to initiate service.

By signing below and submitting this order form to Communiqué Kaleidoscope, Inc., I acknowledge and agree that I will enter into a six (6) month non-refundable contract for Managed Server leasing. At the end of the initial six month term, the contract will automatically renew on a month-to-month basis until I formally terminate the contract, in writing, with a minimum of 15 days advanced notice before the start of my next term. For the purpose of the contract and billing cycle, the six month contract will begin on the date that the Managed Server is activated on the Internet and said Managed Server can be reached via HTTP protocol via its IP address. The contract and billing cycle shall be based on Anniversary (not Calendar) months from that date forward.
